ABOUT COMPANY

Sustainably Sourced Wellness

Himalayan Natural Bio Resource Co, the facility is located in the foothills of the Himalayan Region, basically a Project supported by the Ministry of Horticulture, Govt of Himachal Pradesh. It is a complete fruits and Vegetables processing and preservation facility, where all Himalayan products related to Herbs, Fruits, Vegetables, millets, edible seeds are processed for value additions to cater the entire food and Wellness Industry, whether it is Dehydration, Frozen, Pastes, Cullinary, Juices, Crushes, Millets Processing, sourcing of Himalayan Grains and cereals, vaccum Concentration, Vaccum Frying and many more.

The motive behind this project is to process the unsold and surplus raw materials from local small farmers, supporting them in increasing their Income and serving the food industry with the maximum desired options under one Roof.

All the products being processed here receive special care through genuine traceability and Quality Assured data, ensuring consistent supplies to help the industry obtain stabilised products.

Vision

Empower communities through sustainable Himalayan bio-resources, preserving nature while fostering innovation, wellness, and global recognition

Mission

Deliver eco-friendly, high-quality Himalayan products, promoting health, livelihoods, and biodiversity conservation with ethical, transparent, and socially responsible practices.
